Dear Team,

I am writing to urgently follow up on grievance number MOLBR/E/2025/0099107, concerning the fraudulent linking of Member ID NGAUR30117600000010181 to my PF account (UAN: 101674443429).

While the official remarks on the grievance state:

“As per MIS, MID NG/AUR/3011760/10181 has been delinked from UAN 101674443429.” – RAVI YADAV (RC-I)

This does not match the current status visible on my EPFO portal. As of today, the fraudulent Member ID is still visible in my service history and shows "Pending at APFC" (PDF attached as evidence).

This inconsistency is causing continued concern and preventing me from accessing and managing my PF account properly. My eKYC remains deactivated, and the fraudulent linkage is still impacting my records.

I respectfully request the following:
Immediate action to fully and permanently delink Member ID NGAUR30117600000010181 from my UAN.

Update the service history to reflect only genuine employment details.

Take strong action against the fraudulent entity and prevent such cases in the future.

This is an urgent and serious matter involving identity misuse and potential fraud. I request your kind intervention for a swift and complete resolution.

Thank you for your support and understanding.
